If you could share with me the names of those educators (if the incident happened after 6/29/2021, the effective date of the statute) I would be happy to look into it.

Dear Commissioner Edelblut,

Thank you for doing a fine job on the NHPR interview regarding the Divisive Concepts Bill.

My sons have been informed by high school teachers that they are inherently racist and sexist because they are white males. When we react by being appalled, we have been "educated" that we are inherently racist too, by virtue of being white. I do hope this Bill makes a difference.

Thank you for your strong work.

Kindly,

Amherst, NH 03031
